

## Long Nose Pliers, Insulated, 6-Inch

Klein Tools Insulated Long Nose Side-Cutting pliers are 1000V rated for safety on the job. The long nose is designed for grabbing and looping wire. Dual layer, orange-over-white insulation provides a warning sign that insulation may be compromised. The molded insulation meets or exceeds ASTM F1505-16 and IEC 60900:2012 standards for insulated tools. Cutting knives are induction hardened for long life.

### Specifications

|                          |   |                        |                                 |
|--------------------------|---|------------------------|---------------------------------|
| <b>Type:</b>             | Long Nose Side Cutting Pliers               | <b>Application:</b>    | For Work Near Energized Sources |
| <b>Special Features:</b> | Flame Retardant and Impact Resistant Handle | <b>Overall Length:</b> | 6.89" (17.5 cm)                 |
| <b>Material:</b>         | Induction Hardened Steel                    | <b>Jaw Length:</b>     | 1.938" (4.9 cm)                 |
| <b>Jaw Width:</b>        | 0.688" (1.8 cm)                             | <b>Jaw Thickness:</b>  | 0.375" (1 cm)                   |
| <b>Jaw Capacity:</b>     | 1.72" (4.4 cm)                              | <b>Point Diameter:</b> | .094" (2.4 mm)                  |
| <b>Cutting Knives:</b>   | Standard                                    | <b>Knife Length:</b>   | 0.5" (1.3 cm)                   |
| <b>Cut Style:</b>        | Side-Cutting                                | <b>Joint Type:</b>     | Hot-Riveted                     |
| <b>Handle Color:</b>     | Orange                                      | <b>Handle Finish:</b>  | 2-Layer Insulation              |
| <b>Handle Length:</b>    | 4.422" (11.2 cm)                            | <b>Insulated:</b>      | Yes                             |
| <b>Standard:</b>         | IEC 60900 and ASTM F1505                    | <b>Weight:</b>         | 4.8 oz (136 g)                  |
