

10" Magnetic Torpedo Level

Model #: 1435-1000
UPC: 049448143511

Find plumb, level and 45° even faster with larger, 1/2" vials and SurroundView® vial surrounds that reflect ambient light in dim environments. This level's solid aluminum frame is highly durable to survive even the toughest jobsite abuse. The top-read window lets you view the level vial easily from any angle, and the GripTight™ rare earth magnets hold to flat or round ferrous metal surfaces for convenient, hands-free use.

SPECIFICATIONS

Accuracy .75mm/m
Warranty Lifetime accuracy warranty

APPLICATION

This 10" general purpose magnetic torpedo level can be used in any number of jobsite applications to find plumb, level or 45°. The oversized vials and SurroundView® make it easy to read on darker jobsites, and the strong rare earth magnets are ideal when working with ferrous metal.
