

## StudFinder™

**Model #:** 160  
**UPC:** 049448160013

The only stud finder that includes both a strong magnetic indicator and a leveling vial, Johnson's StudFinder™ is accurate, durable and easy to use. Its molded body and acrylic vial make it durable enough to withstand even the roughest job site, while the reflective backing increases the visibility of the vial.

### PRODUCT DETAILS

- Durable molded body
- Durable acrylic vial for leveling
- Reflective backing increases vial visibility
- Strong magnetic indicator identifies ferrous metal objects in wall
- The only StudFinder™ with a vial

### SPECIFICATIONS

Accuracy 2mm/m
