APPLICATION

This tape measure is the perfect tool for all your measuring needs in construction, plumbing, carpentry and a host of other applications! And the PlanReader® architect scale printed on the blade bottom features 1/8" and 1/4" scales, making it ideal for blueprint reading and measuring. Depending on the job at hand, you may want to consider Johnson's 25' x 1-1/16" and 33' x 1-1/16" PlanReader® power tapes as well.
