

30m/100' x 1/2" Geared Metric/Inch Fiberglass Long Tape

Model #: 1831-0100
UPC: #049448183104

Make your next large measuring job easy with this geared metric/inch fiberglass long tape. The 30m/100' long tape features a 3:1 gear ratio for a fast blade rewind. The 1/2" blade is printed with both metric and inch graduations and has a PVC coating that resists abrasion and extends the life of the tool. And the ABS case is both durable and ergonomic - its high impact design will withstand tough jobsite abuse and features a non-slip rubberized grip.
