

# Contour Gauge

**Model #:** 2206  
**UPC:** 049448220601

Take the guesswork out of determining the dimensions of irregular shapes with Johnson's contour gauge. This precision measurement tool is equipped with contour wires that can duplicate any shape. It features a durable, stamped steel body with a ruled edge.

## PRODUCT DETAILS

- Stamped steel body with ruled edge
- Durable steel contour wires match any shape
- Measure up to 3 inches maximum depth

## APPLICATION

This contour gauge is ideal for pattern and mold making as well as fitting carpet, tiles or linoleum against and around door casings and pipes. It is ideal for woodworking, linoleum and ceramic tile installation or any job where contour duplication is essential.
