

## Standard Red "Danger/Do Not Enter" - 3" x 300'

**Model #:** 3322  
**UPC:** #049448332205

Keep your jobsite safe with this durable roll of tape measuring 3 inches wide by 300 feet long. This bright red tape offers easy visibility with its bold, easy-to-read black print. Made for rough outdoor conditions, the durable plastic material remains pliant even in cold weather. For larger jobsites, Johnson also offers tape reading "Danger" in a convenient 1000 foot roll.

### APPLICATION

This "Danger – Do Not Enter" tape is useful for setting up ANSI/OSHA compliant danger barricades on any jobsite - inside or outside, large or small. Red danger tape is used to barricade a hazard that presents an imminent risk of severe injury or death, and signifies that only employees trained to be in the hazardous area may enter.
