

# Standard Red "Danger" Tape - 3" x 1000'

Model #: 40-0831

UPC:

Keep your jobsite safe with this durable roll of tape measuring 3 inches wide by 1000 feet long, easily able to cover larger areas. This bright red tape offers easy visibility with its bold, easy-to-read black print. Made for rough outdoor conditions, the durable plastic material remains pliant even in cold weather. For smaller jobsites, Johnson also offers a "Danger" tape in a convenient 300 foot roll.

## PRODUCT DETAILS

- Hi-visibility red color
- Durable plastic material
- Bold, easy-read black ink print

## SPECIFICATIONS

Warranty

1 Year Warranty

## APPLICATION

This "Danger" tape is useful for setting up ANSI/OSHA compliant danger barricades on any jobsite - inside or outside, large or small. Red danger tape is used to barricade a hazard that presents an imminent risk of severe injury or death, and signifies that only employees trained to be in the hazardous area may enter.
