

## Magnetic Torpedo Laser Level

**Model #:** 40-6174  
**UPC:** 049448276448

Durable and accurate - this magnetic torpedo laser level is a must-have at home or on the job. Its three vials read plumb, level and cross check, and its built-in, rotating head swivels to project a laser dot, horizontal line or vertical line up to 100'. It features an aluminum frame for superior accuracy and durability and a V-grooved bottom surface to fit on pipe and conduit. The level comes with a soft-sided pouch to keep your tool clean and safe when not in use.

### PRODUCT DETAILS

Laser Wavelength	650nm+/-10nm (Red)
Leveling Method	Manual (Vials)
Maximum Power Output	≤5mW
Power Supply	2 "AA" Alkaline Batteries (included)
Tripod Thread	1/4"-20
Warranty	3 Years
Weight	1.22 LBS
Working Temperature	14°F-113°F

## APPLICATION

Torpedo levels are designed for use in tight spaces, and this laser level is useful for jobsite prep, window and door installation, cabinetry installation and more! It is particularly ideal for plumbers - its rare earth magnets are perfect for sticking to pipes while the V-grooved bottom surface aligns the level on pipes and conduit.
