

Pocket Level w/Magnetic Pickup

Model #: 500
UPC: 049448500000

This convenient pocket level is always within reach for taking accurate measurements on the fly. It fits easily in your utility drawer, tool box or glove compartment and has a metal pocket clip so you can effortlessly keep it on you as you move about your jobsite. The acrylic vial and high-impact body are highly durable, and the level features a V-groove edge that fits on pipe and conduit. The tip is also magnetic, making the level a handy pickup tool as well.
