

3" Structo-Cast® Line Level Set

Model #: 595
UPC: #049448595006

Two is better than one! These 3" line levels' lightweight design reduces line sag, for an accurate reading every time. They are also highly durable thanks to their impact-resistant Structo-Cast® construction and feature unrestricted hooks that allow for easy movement. The impact-resistant Multi-Pitch® vial also reads slope in 1/8" per foot increments.
