

24" Aluminum Rule

Model #: J124
UPC: #049448512409

Durable and accurate, Johnson's 24" x 1-1/8" aluminum rule features screened, thermal-bonded graduations in 1/8" and 1/16" that are bold and easy to read. And its clear, protective anodized finish keeps it protected from wear and tear. The rule also features a hanging hole for convenient storage.
