

60" Aluminum Straight Edge

Model #: J60
UPC: #049448560004

Durable and accurate, Johnson's 60" heavy duty aluminum straight edge features screened, thermal-bonded graduations in 1/8" and 1/16" that are bold and easy to read. And its clear anodized finish keeps it protected from wear and tear. The straight edge also features a hanging hole for convenient storage.
