

MUA01

M.2 NVMe SSD to U.2 SSD Adapter

- Converts M.2 NVMe SSD to U.2 SSD (SFF-8639)
- Constructed with all aluminum alloy
- Supports hot-swap function (motherboard or interface card must support hot-swap function)
- Support PCIe Gen4 16GT/s transmission speed
- 9.5mm standard U.2 SSD mounting holes
- Support 2230, 2242, 2260, 2280 M.2 NVMe SSD

Specifications

Model No.	SST-MUA01B
Color	Black
Material	Aluminum alloy
Application	M.2 NVMe SSD to U.2 SSD Adapter
U.2 Interface	SFF-8639
M.2 interface	M-Key NVMe
Net weight	120g
Dimensions	70mm (W) x 9.5mm (H) x 100mm (D)
Operating temperature	0 °C to +45°C
Operating humidity	10% to 85% RH (Non-condensing)
Storage temperature	-10°C to +70°C
Storage humidity	5% to 90% RH (Non-condensing)

Remark

- MUA01 does not support SATA/SAS interface.
- MUA01 supports only NVMe M.2 SSD and not SATA M.2 SSD.
